## Christmas Savings 2005

Please note that the Co-op will be CLOSED on Friday 18th February for the Killarney Show Holiday.

Are you taking advantage of our new Christmas Savings Club? Many customers are already well on the way to a stress-free Christmas by using our Christmas Club. For an information brochure please see the checkout staff in our supermarket.

## Market Day

Don't forget that the 2nd Wednesday of every month is Market Day. Great one-day specials available.

## Banking Enquiries

Would you like to discuss your banking needs and options? Gillian from Westpac Warwick will be available for appointments on Wednesday 2 March. Gillian is able to help you with lending enquiries, insurance, every-day banking, Investments and Business enquiries. If you would like to take the opportunity to review your banking, please see the staff from our instore branch to make an appointment.

## Fish Fingerlings

Available to order now—Golden Perch and Cod fingerlings. Please place your order with the Produce department ASAP to avoid disappointment.

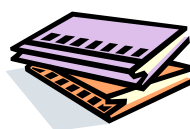

## DVD Recorders

We have a range of DVD recorders in stock in our Betta Electrical. Prices start from \$498.00, come on in and check them out.

## Staff Training

Over the past couple of weeks staff in all departments have been involved in staff training. We hope that they are finding it valuable and that customers will benefit from this training.

## Shareholders

Are your details up to date? Please advise the office if you change any of your contact details to ensure that correspondence reaches you.

## Southern Free Times

Keep your eye on the Southern Free times for our new weekly advertisement. Weekly specials and promotions will feature.

## Manager's Holidays

Please note that Kerry Woolcott will be on annual leave for 3 weeks starting on 25th Feb. During this time we will not have a JP on staff.

## Dust Extraction

We have been having some dust problems with our Seed Grading Plant, and the board have now decided to implement a state of the art dust extraction system. This will help us to be more friendly to the environment as well as secure the workplace health of our employees.

## Stock Clearance
