20th May 1933—15th June 2006

The co-operative lost its longest serving director last month with the sudden passing of Hartley Brett. Hartley had served on the board for 39 years. In paying tribute to Hartley at the June board meeting, directors noted that he always came to each meeting with the best interests of the co-operative at heart. He will be sadly missed on the board. The Board, Management and Staff wish to express their sincere sympathy to Hartley's wife Shirley, and children Vicki, Sharon, Sue-Anne and Kerry, along with their respective families.

A very well attended memorial service was held for Hartley in the Killarney Anglican Church on Monday 19th June 2006. The directors have decided to let the vacancy caused by Hartley's passing stand until nominations are called in late August for the next Election of Directors.
